

"Girlfriend"

[Chorus]

Hey! Hey! You! You!
I don't like your attitude!
No way! No way!
I think you need a new one
Hey! Hey! You! You!
I could be the bad guy
Hey! Hey! You! You!
I know that you're angry
No way! No way!
I know it's not a secret
Hey! Hey! You! You!
I just wantcha to be happy

[Verse 1]

You so crazy
You want Candy
I know it's so delicious
You think about it all the time
It's so addictive
Dontcha know what it could do to make you feel not alright
(alright, alright, alright)?
I don't pretend - I know you're damn precious
Oh yeah that's right
You're my little princess
I could tell you like this song and you know I'm right

[Bridge:]

You're like so whatever
And you can ask so much better
I think you should get in time out now
And that's what Jaxsons talkin' about!

[Chorus:]

Hey! Hey! You! You!
I don't like your attitude!
No way! No way!
I think you need a new one
Hey! Hey! You! You!

I could be the bad guy
Hey! Hey! You! You!
I know that you're angry
No way! No way!
I know it's not a secret
Hey! Hey! You! You!
I just wantcha to be happy

[Verse 2]

I could see the way see the way you look at the candy
And even when you look away I know you think of candy
I know you will eat it all again and again (again, again, again)
So come over here and ask again like I wanna hear
Better yet make your attitude disappear
I don't wanna hear you act like that ever again (and again, and
again, and again!)

[Bridge]

You're like so whatever
And you can ask so much better
I think you should get in time out now
And that's what Jaxsons talkin' about!

[Chorus]

Hey! Hey! You! You!
I don't like your attitude!
No way! No way!
I think you need a new one
Hey! Hey! You! You!
I could be the bad guy
Hey! Hey! You! You!
I know that you're angry
No way! No way!
I know it's not a secret
Hey! Hey! You! You!
I just wantcha to be happy

In a second you'll be wrapped around me kneecap
Cuz you can't cuz you can't ask any nicer
Don't hit your brother
Jeez when's it gonna sink in?

Just ask me nicer
What the heck are you thinkin'?!
[repeat]

[Chorus x2]
Hey! Hey! You! You!
I don't like your attitude!
No way! No way!
I think you need a new one
Hey! Hey! You! You!
I could be the bad guy
Hey! Hey! You! You!
I know that you're angry
No way! No way!
I know it's not a secret
Hey! Hey! You! You!
I just wantcha to be happy
No way! No way!
Hey! Hey!
